Internal Quality Assurance Cell (IQAC)

Meeting No. 2 (2022-23)

Date: 10-11-2022

A meeting of all the members of the Internal Quality Assurance Cell (IQAC) was held on 10 November 2022 at 11:00 AM in the Computer room with the following agenda:

AGENDA OF MEETING

Wi-Fi and internet facility in the college.

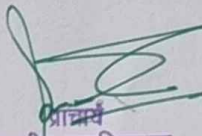

MINUTES OF MEETING

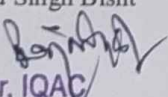

Today, on 10-11-22, a meeting of IQAC was held in the computer room in which the availability of Wi-Fi facility for e- library computer, forthcoming NAAC and the college premises was discussed in detail. It was found that the Jio connectivity provided by the government in the college is completely interrupted from one year and eight months. Due to non-availability optical fiber, BSNL Broadband service in the college often get interrupted and its speed is also very slow due to which the above mentioned activities are not properly carried out. Also, the minimum bandwidth of connectivity of internet should be per NAAC matrix number 4.3.1. The proper functioning of internet and Wi-Fi is also necessary for e-library.

Therefore, according to the committee there is an urgent need for another compatible internet service in the college. In view of the said need, the committee recommends one more high speed and stable internet connection from the internet service provider.
